

# Membership Referral Program

## Help your Chamber Grow!

The Member Referral Program is a great opportunity to help grow your chamber and your business! We value your membership and appreciate your help to grow the Chamber of Commerce for the Bar Harbor area. A growing membership strengthens the organization's impact. With this program you can earn a \$100 towards Chamber marketing opportunities for each member you refer that becomes a member.

How it works.

- If a business joins that you referred you will receive a \$100 credit to use towards any marketing opportunity that your business is eligible for by the Chamber.
- This form must be filled out in order to receive credit for a referred member.
- There is no limit for the number of members you can refer.
- Should a referral form be submitted more than once, the Chamber will honor the first referring business only.
- The referral must become a member within 3 months of the referral date.
